3. (Secret - JGO) The transcripts of DCI testimony of 2 and 13 March were forwarded to the Senate Foreign Relations Committee and returned at the close of business. Present review of the transcripts has been completed. They will be retained for safekeeping, subject to call by the Committee.

4. (Confidential - GLC) I advised Larry McHugh, on the staff of the Joint Economic Committee, that our updated contributions to the Soviet studies would start coming over early next week. I also asked McHugh if they desired a response to Chairman Boggs letter of 25 March 1970 asking that we do this. McHugh said a written response was not necessary, particularly in view of my call.
